The 2027 Ohio Boating Conference, hosted by the Ohio Marine Trades Association, will bring together industry professionals, policymakers, and leaders to shape the future of boating in Ohio. This event will also serve as the annual OMTA meeting.

Highlights include sessions on leadership, marketing, industry trends, and two legislative panels, as well as a legislative luncheon connecting attendees with Ohio lawmakers. Focused on fostering collaboration and innovation, the conference aims to provide actionable insights and practical tools to help participants navigate challenges and seize opportunities. This gathering will set the course for a thriving and sustainable future for Ohio's boating industry.
